And sometimes,
When I'm lonely,
I think of you
And I wonder

And sometimes,
When someone
Calls your name,
I wonder

You changed my life
And you could have changed my world
And I
Miss your voice and
I miss your heartbeat
I miss your face and
I miss you

And sometimes
When I'm sleeping,
I dream of you
And I wonder

And sometimes

When I forget,
I call for you
And I wonder

You said 'goodbye'
Said 'It's over'
You said 'I'm tired'
I can't wait
All my life
I won't cry
Anymore'

And sometimes when
I wonder
I cry for you
And I miss you

And sometimes I
Remember
How to feel again
And I miss you
