Im a hero in a book  
Im a picture on your wall  
Im on the tv  
Im arrogant, seen it all

Im a distraction  
Like a hideous new disease  
Im in the papers  
But thats not really me

Young heart  
Give me something I can do

Im a decision  
Im a morning filled with shame  
Im a perversion  
But I dont know its name

In a car  
On the floor  
Up against the wall  
With a friend or two  
Someone to watch it all

Young heart  
Everyone does it here  
Young heart  
Does your mother know what youve seen?  
Young heart  
Everyone does it here  
Young heart  
Does your mother know where youve been?

What are you gonna do?  
What are you gonna do now?

I dont believe in it  
I dont believe in it

What are you gonna say?  
What are you gonna say now?

I dont believe in it  
I dont believe in it

What are you gonna feel?  
What are you gonna feel now?

I dont believe in it  
I dont believe in it

Where are you gonna go?  
Where are you gonna go now?

I dont believe in it  
I dont believe in it

Young heart, like you  
Young heart like you  
Im not the question  
Im not the pain  
Im not surprised  
And Im certainly not ashamed

I want your number  
I want your name  
I wont remember  
Young hearts all the same
