Down in the park where the Machmen meet the  
Machines  
And play 'Kill-by-Numbers'  
Down in the park with a friend called 'Five'

I was in a car crash or was it the war  
But I've never been quite the same  
Little white lies like 'I was there'

Come to 'Zom-Zom's', a place to eat  
Like it was built in one day  
You can watch the humans trying to run

Oh look, there's a rape machine  
I'd go outside if you'd look the other way  
You wouldn't believe the things they do

Down in the park where the chant is 'Death, Death,  
Death'  
Until the sun cries morning  
Down in the park with friends of mine

We are not lovers, we are not romantics  
We are here to serve you  
A different face but the words never change
