Got a broken heart again
It must be the millionth time
You're out with all your friends
and I'm home alone crying.
You said we'd last forever,
forever came at noon.
Tonight there's only one thing to do

- chorus -

I'm gonna party like a rock star, hit a bunch of strip
bars
Wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of endo
Anything to get my mind off of you.
Find a telephone pole to wrap around my car,
and party like a rock star.

After all the nights we spent cuddling on the couch
and all the parties I passed up because you didn't feel
like going out
I guarantee you Steven Tyler didn't put up with crap like
this
But tonight I'm making up for what I missed
Oh yeah

-chorus-

I'm Gonna party like a rock star, hit a bunch of strip
bars
Wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of endo
Anything to get my mind off of you.
Find a telephone pole to wrap around my car,
and party like a rock star.

Ohh yeah uhh come on uhh huh
And the more I think about it, the less it hurts inside
Cuz tonight I'm wanted dead or alive

I'm gonna party like a rock star, hit a bunch of strip
bars
wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of endo

Anything to get my mind off of you.

Party like a rock star, hit a bunch of strip bars
wake up naked in a hotel room
Throw my TV out the window, smoke a bunch of endo
Anything to get my mind off of you.
Find a telephone pole to wrap around my car,
and party like a rock star.

Yea, uh-huh, Party like a rock star
We gonna, we gonna, we gonna party like a rock star

Everybody say partayyy
Everybody say partayyy like a rock star
Oh, dude looks like a lady! whoo!
