Chorus

I will trust in You always  
O ancient of days  
For You are the rock of the ages  
And I will trust in You always

Thy word o Lord is a lamp unto my feet  
And a light unto my path  
My faith is in every word you speak  
Cause your word is all that will last

Chorus

Trust in the Lord with all thine heart  
Lean not to your own understanding  
In all thy ways acknowledge Him  
And He shall direct thy path

Chorus

I will trust in You always  
I will trust in You always  
I will trust in You always  
I will trust in You always
