no rush,though i need your touch  
i wont rush your heart  
till you feel,on solid ground  
until your strength is found,giiirll

ill fill those canyons in your soul  
like a river lead you home,  
and ill walk a step behind,  
in the shadows,so you'd shine  
just ask,it will be done,  
and i will prove my love,  
until youre sure that im the one

somebody else,was here before,  
he treated you unkind,  
broken wings need time to heal,  
before a heart can fly,giiirll

ill fill those canyons in your soul  
like a river lead you home,  
and ill walk a step behind,  
in the shadows,so you'd shine  
just ask,it will be done,  
and i will prove my love,  
until youre sure that im the one

trust in me,and youll find a heart so true  
all i wanna do is give the best of me to you  
and stand beside you

just ask it will be done,  
and i will prove my love,  
until youre sure that im the one
