We tried to talk about it
We ended up screaming and shouting
We should have left this one alone
We didn't even have a reason, except that your always
believing that your right and I'm wrong

I'd rather be naked with you then to argue like we
always do.

I'd rather be naked with you then to argue like we
always do.

We'll talk about it

Yeah - it's alright (x3)
Yeah - it's okay (x3)

I'd rather be naked with you then to argue like we
always do.
