Makin' your way in the world today  
Takes everything you've got  
Taking a break from all your worries  
Sure would help a lot  
Wouldn't you like to get away?

All those nights when you've got no lights  
The check is in the mail  
And your little angel  
Hung the cat up by it's tail  
And your third fiance didn't show

Sometimes you wanna go  
Where Everybody Knows Your Name  
And they're always glad you came  
You wanna be where you can see  
Our troubles are all the same  
You wanna be Where Everybody Knows Your Name

Climbing the walls when no one calls  
You've lost at love again  
And the more you're down and out  
The more you need a friend  
When you long to hear a kind hello

Roll out of bed, Mr. Coffee's dead  
The morning's looking bright  
And your shrink ran off to Europe  
And didn't even write  
And your husband wants to be a girl

Be glad there's one place in the world  
Where Everybody Knows Your Name  
And they're always glad you came  
You wanna go where people know  
People are all the same  
You wanna go Where Everybody Knows Your Name
