It starts out with a kiss
Even though we're only friends
Now there's nothing wrong with this
But this is where his act begins

He'll hold you and tell you
That's what love is for

Oh, but don't give in to him
No, no, don't give in to him
'Cause he will only ask for more

You don't want to lose him
So you let him have his way
You don't dare refuse him
Because you know the price you'll pay

He's braggin' that
He never lost before

So don't give in to him
No, no, don't give in to him
'Cause he will only ask for more

Baby, don't give in to him
No, no don't give in to him
'Cause I'm the one who loves you more

No, no, don't give in to him
Please, don't give in to him
'Cause he will only ask for more
