I just don't know what to do with myself
I don't know what to do with myself
Planning everything for two
Doing everything with you
And now that we're through
I just don't know what to do

I just don't know what to do with myself
I don't know what to do with myself
Movies only make me sad
Parties make me feel as bad
Cause I'm not with you
I just don't know what to do

Like a summer rose
Needs the sun and rain
I need your sweet love
To beat love away

Well I don't know what to do with myself
Just don't know what to do with myself
Planning everything for two
Doing everything with you
And now that we're through
I just don't know what to do

Like a summer rose
Needs the sun and rain
I need your sweet love
To beat love away

I just don't know what to do with myself
Just don't know what to do with myself
Just don't know what to do with myself
I don't know what to do with myself
