This girl walked in dreams  
Playing in a world of her own  
This girl was a child  
Existing in a playground of stone

Then one night her world was changed  
Her life and dreams were rearranged  
And she would never be the same again

This girl is a woman now  
She's learned how to give  
This girl is a woman now  
She's found out what it's all about  
And she's learning, learning to live

This girl tasted love  
As tender as the gentle dawn  
She cried a single tear  
A teardrop that was sweet and warm

Our hearts told us we were right  
And on that sweet and velvet night  
A child had died and woman had been born

This girl is a woman now  
She's learned how to give  
This girl is a woman now  
She's found out what it's all about  
And she's learning, learning to live

This girl is a woman now  
She's learned how to give  
This girl is a woman now  
She's found out what it's all about  
And she's learning, learning, learning to live

This girl is a woman now  
She's learned how to give  
This girl is a woman now
