I just don't know what to do with myself.
Don't know just what to do with myself.
I'm so used to doin' everything with you,
Plannin' ev'ry thing for two, and now that we're through.

I just don't know what to do with my time.
I'm so lonesome for you it's a crime
Goin' to a movie only makes me sad.
Parties make me feel as bad when I'm not with you

I just don't know what to do
Like a summer rose needs the sun and rain,
I need your sweet love to ease all the pain.

I just don't know what to do with myself.
Don't know just what to do with myself.
Baby, if your new love ever turns you down
Come back; I will be around just waitin' for you.

I don't know what else to do.
