DAYLIGHT STRANGER

Gary Puckett & the Union Gap

(Ah ah ah)

If we meet by chance today, pretend that you don't see
me

I love you, but if she knew I know she'd never free me
Long as I am tied to her we care not for the danger
So be discreet & meet me later, daylight stranger

She believes that I go out on real important business
She's so right 'cause every night I taste your tender
kisses

That's what happens when a home is filled with pain &
anger
So be discreet & meet me later, daylight stranger

For a while just be my lover
With the darkness as our cover
So that she may not discover you

(Ah ah ah, ah ah ah)

Soon enough she'll realize that we were both mistaken
Walk & talk 'cause in my hand, one day I'll soon
awaken

Turn the sunlight in your eyes without the thrill of
danger
So be discreet & meet me later, daylight stranger

(backing, repeat & fade):
Meet me later, daylight stranger
