Don't Give Into Him  
Gary Puckett and The Union Gap  
(G.Usher)

It starts out with a kiss  
Even though you're only friends  
Now there's nothing wrong with this  
But this is where his act begins

He'll hold you and tell you  
That's what love is for  
Oh but don't give in to him  
No, no don't give in to him  
Cause he will only ask for more

You don't want to lose him  
So you let him have his way  
You don't dare refuse him  
Because you know the price you'll pay  
He's braggin' that he's never lost before  
So don't give in to him  
No, no don't give in to him  
Cause he will only ask for more

Baby, don't give in to him  
No, no don't give in to him  
Cause I'm the one who loves you more...
