Why am I losin' sleep over you
Relivin' precious moments we knew
So many days have gone by
Still I'm so lonely and I
Guess there's just no getting over you
And there's nothin' I can do
But spend all of my time out of my mind over you

Within the prison walls of my mind
There's still a part of you left behind
And tho' it hurts I'll get by
Without your lovin' yet I
Guess this just no getting over you
And there's nothin' I can do
But spend all of my time out of my mind over you

And I guess there's just no getting over you
And there's nothin' I can do
But spend all of my time out of my mind over you...
