I just don't know what to do with myself  
I don't know what to do with myself  
Planning everything for two  
Doing everything with you  
And now that we're through  
I just don't know what to do

I just don't know what to do with myself  
I don't know what to do with myself  
Movies only make me sad  
Parties make me feel as bad  
Cause I'm not with you  
I just don't know what to do

Like a summer rose  
Needs the sun and rain  
I need your sweet love  
To beat love away

Well I don't know what to do with myself  
Just don't know what to do with myself  
Planning everything for two  
Doing everything with you  
And now that we're through  
I just don't know what to do

Like a summer rose  
Needs the sun and rain  
I need your sweet love  
To beat love away

I just don't know what to do with myself  
Just don't know what to do with myself  
Just don't know what to do with myself  
I don't know what to do with myself
