VS1 Clear off the dancefloor, baby,  
Cause I'm goinna need some room.  
I've got a brand new hundred dollar bill,  
I can't spend too soon.  
If you think I'm on the prowl,  
Well, baby you ain't wrong.  
So tell the band to crank it up loud,  
And play me a goodtime song.  
Chorus  
Hey, long and lean, comon' over here,  
Hang on to my coattails while I finish this beer.  
This is just one ole boy,  
That can't get enough.  
I'm down and dirty on a Saturday night,  
Looking for some brand new stuff.  
Vs2  
Comon now baby, have another glass of wine,  
I know you got a man in the corner,  
But right now you're mine.  
I've got one big eye on the back of his head,  
The other on the back door.  
Me and you are sneakin' out of here,  
And we ain't lookin' back no more.  
Chorus  
Hey long and lean, comon' over here,  
Hang on to my coattails, while I finish this beer  
This is just one ole' boy,  
That can't get enough.  
I'm down and dirty on a Saturday night,  
Looking for some brand new stuff.  
I'm down and dirty on a Saturday night,  
Looking for some brand new stuff.
