Every day... I tell myself, it's temporary  
That it's only 'cause she's young  
That makes her want... another man

Eventhough she makes me feel un-necessary  
I've found a way to help me understand

I've got this drinkin' thing  
To keep from thinkin' things  
About where you've been  
Who you've been with  
What you've done

And it's a lonely thing  
But, it's the only thing  
To keep a foolish man in love  
Hangin' on...

If I wait at home, I'll only ask her questions  
She'd probably the truth, so I don't even ask

So, I sit here on this barstool, feelin' helpless  
And I wonder, just how long ... a man can last

I've got this drinkin' thing  
To keep from thinkin' things  
About where you've been  
Who you've been with  
What you've done

And it's a lonely thing  
But it's the only thing  
To keep a foolish man in love  
Hangin' on ...

I've got this drinkin' thing  
To keep from thinkin' things  
About where you've been  
Who you've been with  
What you've done...
