Everybody's got to know
If you wanna get up,
You know you gotta get low
Everybody all around
If you wanna get up,
You know you gotta get down
Hey, what's up?
Now do you wanna get goin'?
I can see you movin' up just fine
But when you're there,
Don't you ever forget all who's been behind you all the
time
There's a need to play,
There's a time to pray
There ain't nothin' wrong why you should do it (this)

It's for everyone (out) to have some fun
What we all need to know is that the only way to get up
is to get down
Everybody get down
Everybody get down
Get down
Get down
Get down
You know the only way to get up is if you get down
Everybody get down
Everybody get down
Hey there's nothing wrong if you wanna go on
I know it's your desire, we wanna make it strong

There may be something that you know you gotta do
There's a need to play,
There's a time to pray
There ain't nothin' wrong why you should do
it(this)everyday
It's for everyone (out) to have some fun
What we all need to know is that the only way to get up
is to get down
Everybody get down
Everybody get down

Get down
Get down
Get down
You know the only way to get up is if you get down
Everybody get down
Everybody get down
Everybody's got to know if you wanna get up you gotta
get low
Everybody all around if you wanna get up you gotta
first get down
Don't just say it in your mind, say it loud let Him know
Many times you find what you never thought of before
More precious than silver, more precious than gold,
More than
