So just throw your hands in the air
And wave them from side to side
And if you confess that Jesus Christ is Lord
Somebody scream "alright"
Let me see, let me see
Nothing can compare to his grace
And his glory, end of story
He's enough for me and should be enough for you
So act like you know 'coz if you don't here's a clue
From the beginning to the middle til the end
He'll always be your friend
Every time you take him into battle with you, you win
That's on the real knock, brother, there is no other
So never put your faith in another
Yeah you know that Jesus is enough
Yeah you know that Jesus is enough
So many people in the world try to lie and deceive us
You know full well that they need Jesus
You deadly mistaken if you waste your time
And follow Satan
He don't love you, he's just fakin'
Satan's always tryin' to make us be untrue
So listen to me now it's what you gotta do
Put on your full armor
Don't let him be a charmer
Say, "Satan, get behind me!" he can never harm me
Yeah you know that Jesus is enough
Yeah you know that Jesus is enough
So what you out there tryin' to discover
Tell me can you tell me can you find something better
From the beginning to the middle to the end
He'll always be your friend
Everytime you take him into battle with you, you win
That's on the real knock, brother, there is no other
So never put your faith in another
When times get rough you just gotta hang tough
I'm here to let you know Jesus Christ is enough
When times get rough you just gotta hang tough
Take my advice, Jesus Christ is enough
Yeah you know that Jesus is enough
