#### VERSE 1

I remember so well  
The day that you came into my life  
You asked for my name  
You had the most beautiful smile

#### VERSE 2

My life started to change  
I'd wake up each day feeling alright  
With you right by my side  
Makes me feel things will work out just fine

#### CHORUS

How did you know  
I needed someone like you in my life  
That there was an empty space in my heart  
You came at the right time in my life

#### VERSE 3

I'll never forget  
How you brought the sun to shine in my life  
And took all the worries and fears that I had  
I guess what I'm really trying to say  
It's not everyday that someone like you comes my way  
No words can express how much I love you

Repeat Chorus & then VERSE 3
