Only I, no one else but only I
No one else but only I
Nobody else but I can call her mine
Only I, no one else but only I
Some people call her an angel
The answer to my prayers
She's all this heart of mine desires and knows
They say she's deep as a river
And gracious as the morn
Some people say
She's as lovely as a rose
They call her gentle
They call her warm and kind
But only I, only I can call her mine...
Some people say she's a candle
Glowing in the dark
They say she's the wind
That blows the clouds away
They say that she's like the sunshine
Through the pouring rain
Her smile can brighten up anybody's day
They call her radiant
They call her bright
They call her a star that shiness
But only I, only I can call her mine
Only I have her heart
And only she has mine
Who'd have ever thought
A man like me could be
The one to say
She's with me all the way
The one to say
She loves only me (only me)
Some people says she's the best thing
To ever come my way
They say she's a blessing
The best in my life
They say she's a jewel
So rare, so hard to find
They call her a wonder
They call her one of a kind

They call her precious
They call her dear
They call her divine
But only I, only I can call her...
The one that I'll love forever
Only I, only I can call her mine
(Only I, no one else but only I)
(No one else but only I)
(Only I, No one else but only I)
Only I, can call her mine
