I.

What must I do to make you understand?

You mean everything to me

Don't have the strength to say

Give this heart of mine a chance

And maybe then you will see

REFRAIN 1:

And I'll do anything, do anything that you tell me

And I'll be there, I'll be there if you need me

CHORUS 1:

Reachin' out to you

Do you feel it too?

Loving you is all I wanna do

I'm completely sure

I've never felt this way before

When I smile you know that there is something more

II.

What must I do so I can make you see?

The light that shines in my eyes

You brighten up my day

You even help me find my way

I wish you're always by my side

REFRAIN 2 :

And I can't stop, don't know how to stop thinkin' of you

And I'll do anything, do anything to be near, near you

CHORUS 2:

Reachin' out to you

Do you feel it too?

Loving you is all I wanna do

I'm completely sure

I've never felt this way before

Deep inside you know that there is something more

REPEAT CHORUS 2

Deep inside you know that there is something more
