Just what is it in me?  
Sometimes I just don't know  
What keeps me in Your love,  
Why you never let me go

And though you're in me now,  
I fall and hurt you still  
My Lord, please show me how  
To know just how you feel

You have forgiven me  
Too many times it seems  
I feel I'm not what you might call  
A worthy Christian after all

And though I love You so  
Temptation finds it's way to me

Teach me to trust in You  
With all my heart  
To lean not on my own understanding  
I just forget  
You won't give me what I can't bear

Take me out of the dark, my Lord  
I don't wanna be there

You've never left my side  
You gave Your hand to me to hold  
Oh Jesus, I'm no longer in the cold

And yet, I leave You there  
When I feel satisfied  
I'd like to thank You every day  
Not only when I feel that way

I've never known a Man  
Who'd give His life for sinners like me  
And yet, because He loves us so  
He's promised us eternity  
And we can have that promise

And be His if we have faith  
And just believe

Teach us to trust in you  
With all my heart  
To lean not on my own understanding  
We just forget  
You won't give us what we can't bear

Take us out of the dark, My Lord  
'Cause we don't want to be alone  
Take me out of the dark, My Lord  
We don't wanna be there, My Lord

Trust in You with all my heart  
Lean not on my own understanding  
I just forget  
You won't give me what I can't bear

Take me out of the dark, My Lord  
Cause we don't want to be alone  
Take me out of the dark, My Lord  
I don't want to be there
