Why, why?
'Cause I'm the type of guy
Who believes in a Spirit I can't see with my eyes
You can't deny, even if you try
The one who created you, the earth and the sky
I'm a baptized disciple, so I shall not tell a lie

Hesitate or procrastinate
The Lord's comin' back, don't wait
So light (so light), so free
That's what I feel now, that I've got the Lord in me
Maybe you've seen the change - that's why
Things are not the same - t
