Vs1 What's that bad talk I've been hearing round town,
I know some dirty works been, goin' down.
Some other dudes been a'drinkin' my wine,
Tastin' those sweet lips that used to be mine.

Chorus

Who you been... givin' it to, baby, uh huh huh.
Who you been... givin' it to, baby, uh huh huh.
I can tell that you ain't been alone...
Who you been givin' it to while I been gone?

Vs2

You're the kinda woman that's, always a'lookin',
You're never satisfied unless something dirtys cookin'.
This time now baby things are getting' outa hand.
You better quit your' cuttin' up,
Or lose your lovin' man...

Chorus

Who you been... givin' it to now baby, uh huh huh,
Who you been... givin' it to now baby, uh huh huh...
I can tell that you that you ain't been alone...
Who you been givin' it to when I been gone.
Repeat chorus...
