Oooh ooh ooh oooh yes

You remind me

Say what

(Beatboxing...)

Say what

(Beatboxing)

See the thing about you that caught my eye

Is the same thing that makes me change my mind

Kind of hard to explain

But girl I'll try

Need to sit down this make take a while

Cuz you remind me of a girl

That I once knew

See her face whenever I

I look at you

Won't believe all of the things she put me through

This is why I just can't get with you

You remind me

Yo thank you man
