When one voice rules the nation  
Just because they're top of the pile  
Doesn't mean their vision is the clearest  
The voices of the people  
Are falling on deaf ears  
Our politicians all become careerists  
They must declare their interests  
But not their company cars  
Is there more to a seat in the Parliament  
Than sitting on your arse  
And the best of all this bad bunch  
Are shouting to be heard  
Above the sound of ideologies clashing  
Outside the patient millions  
Who put them into power  
Expect a little more back for their taxes  
Like schools books, beds in hospitals  
And peace in our bloody time  
All they get is old men grinding axes  
Who've built their private fortunes  
On the things they can rely

The courts,the secret handshake  
The Stock Exchange and the old school tie  
For God and Queen and Country  
All things they justify  
Above the sound of ideologies clashing  
God bless the Civil Service  
The nations saving grace  
While we expect democracy  
They're laughing in our face  
And although our cries get louder  
Their laughter gets louder still  
Above the sound of ideologies clashing
