What style he shows swimming past me  
Doesn't he make it look so easy  
You'll be famous someday  
Go jimmy go go  
Propel your pals in soul

The other night i had a dream  
His teeth gleamed  
As he wrapped that blue towel  
Around my throat  
Let me go let me go  
Let me go go jimmy go

I want to shine  
I want to replace yours with mine  
I want to dive  
Head down the water under

Breathe keep your legs straight  
Breathe keep your eyes wide open  
Breathe keep your legs straight  
Breathe come up for air

I am the heir of air  
Breathing water  
Under jimmy's rudder

Am i so strange  
To want to make a change  
For change's sake  
I want to get  
Deep down the water under

Breathe keep your legs straight  
Breathe keep your eyes wide open  
Breathe keep your legs straight  
Breathe come up for air

I am the heir of air  
Breathing water  
Under jimmy's rudder

Is he ok?
