Shake your body, now give it to me baby
Shake your body, now give it to me
Shake your body, now give it to me

Show me how to dance girl,
Shake it to the rythm and just dance girl
Show me how to dance girl,
Hope this summerparty never ends, girl, nonono

Sweaty body's, party people,
Lovely baby can you feel my heat
Cause I'm pumping, oeh, yes I'm jumping,
Oh my God, I can't stop my feet, no
Summer heat, funky ladies,
Sexy boobs take control of me
Sweety bitches, go to the dancfloor,
Baby come on over here

Show me how to dance girl,
Shake it to the rythm and just dance girl
Show me how to dance girl,
Hope this summerparty never ends, girl, nonono

The sun is burning, shiny bodies,
C'mon baby shake it to the groove
Lovely babies, with bikinies,
I wanne see your sweet ass moon

Show me how to dance girl,
Shake it to the rythm and just dance girl
Show me how to dance girl,
Hope this summerparty never ends, girl, nonono

Shake your body, now give it to me baby
Shake your body now give it to me
Shake your body now give it to me

Show me how to dance girl,
Shake it to the rythm and just dance girl
Show me how to dance girl,
Hope this summerparty never ends, girl, nonono
