What's that band, baby,  
They've got something.  
What's that band, baby,  
You will come.

(You will come)

Jump that funky,  
The future's coming.  
They won't come running,  
They'll jump...

Come on, come on, get up.  
Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...

7-6-5-4-3-2-1, go!  
Get up,  
Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...

7-6-5-4-3-2-1, go!  
Get up,  
Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.

No more foxtrotting,  
Now we're?ing.  
Mister, pleased are you?  
Know we are.

Wheels in motion,  
Of locomotion.  
Your head good,  
I'm glad you...

Come on, come on, get up.  
Take your breakfast and get up.  
Take your breakfast and get up.

Get up, get up...

7-6-5-4-3-2-1, go!

Get up,  
Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...

7-6-5-4-3-2-1, go!

Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.

(Get up...)

(Hey hey! )

Blow your whistle!

Blow your whistle!

Blow your whistle!

7-6-5-4-3-2-1, go!

Blow your whistle!  
Take your breakfast and get up.  
Blow your whistle!  
Take your breakfast and get up.

7-6-5-4-3-2-1, go!

Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.  
Hoo hoo hoo, hoo-hoo.

Get up,

Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...

7-6-5-4-3-2-1, go!

Get up,  
Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...

7-6-5-4-3-2-1, go!

Get up,  
Take your breakfast and get up.  
Take your breakfast and get up.  
Get up, get up...
