If ever you wondered
if you touch my soul
yes you do
since I've met I'm not the same
you bring life to everything i do
just the way that you say hello
with one touch I can't let go
never thought i'd fall in love with you ooh

Because of you
my life has changed
thank you for the love and the joy you bring
Because of you
I feel no shame
I'll tell the world
It's because of you

Sometimes i get lonely
and all i gotta do is think of you
you captured something inside of me
you make all my dreams come true ohh

It's not enough that you love me for me
you reached inside and touched me internally
I love you best explains how I feel for you

Because of you
my life has changed
thank you for the love and the joy you bring
Because of you
I feel no shame
I'll tell the world
It's because of

The magic in your eyes
true love I can't deny
When you hold me
I just lose control yeah
I want you to know
that I'm never letting go
you mean so much to me

I want the world to see
It's Because of you

because of you
my life has change
thank you for the love and the joy you bring
because of you I feel no shame
I'll tell the world

its because of you my life has changed
thank you for the love and the joy you bring
because of you
I'll tell the world
I'll tell the world I'll tell the world
It's because of you
