gad eill make a way
where there seems
to bew no way
he works in way
we cannot see
he will make
a way for me
he willl be my guide
hold me closely
to his side
with love and strength
for each new day
he will make away
he will make a way
[repeat]

by a roadway
in the wilderness
he'll leads me
rivers in the desert
will i see
heaven and earth
will fade
but his word
will still remain
he will do
something new today

[repeat verse]

with love and strength
for each new day
he will make a way
he will make away
[repeat 'till fade]
