What must I do to make you understand?
You mean everything to me
Don't have the strength to say
Give this heart of mine a chance
And maybe then you will see
And I'll do anything, do anything that you tell me
And I'll be there, I'll be there if you need me

Chorus:

Reaching out to you
Do you feel it too?
Loving you is all I want to do
I'm completely sure I'd never felt this way before
When I smile you know that there is something more

II

What must I do so I can make you see
The light that shines in my eyes
You brighten up my day
You even help me find my way
I wish you're always by my side
And I can't stop, don't know how to stop
Thinking of you
And I'll do anything, do anything to be near you

Chorus:

Reaching out to you
Do you feel it too?
Loving you is all I want to do
I'm completely sure I'd never felt this way before
Deep inside you know that there is something more
(2x)

Know that there is something more!
When I smile you know that there is something more
