I've just closed my eyes again
Climbed aboard the dream weaver train
Driver take away my worries of today
And leave tomorrow behind

(chorus)

Ooh dream weaver
I believe you can get me through the night
Ooh dream weaver
I believe we can reach the morning light
Fly me high through the starry skies
Maybe to an astral plane
Cross the highways of fantasy

Help me to forget today's pain

(chorus again)

Though the dawn may be coming soon
There still may be some time
Fly me away to the bright side of the moon
And meet me on the other side

(chorus again, then fade out with the following
Repeated several times...)

Dream weaver
