It's the greatest time of year, and it's here,
Help me celebrate it
With everybody here, friends so dear,
Let me simply state it
It's our favorite way to spend the holiday
Yeah

There's a special kind of feeling in the air
It only happens at this time of year
When everyone is filled with love and cheer
'Cause that's what matters

Pretty paper boxes tied with bows
Walking in the sun or in the snow
We can feel the excitement growing, knowing

It's the greatest time of year, and it's here,
Help me celebrate it
With everybody here, friends so dear,
Let me simply state it
Joy to the world and everyone,
Lift up your hearts and feel the love
It's our favorite way, to spend the holiday
Yeah

We can get all cozy by the fire
Turn the music up a little higher
I don't think that I could ever tire
Of being together

Decorate the tree, hang mistletoe
And stand by me

It's a picture perfect moment captured,
Memories that we'll have after

It's the greatest time of the year, and it's here,
Help me celebrate it
With everybody here, friends so dear,
Let me simply state it
Joy to the world and everyone

Lift up your hearts and feel the love
It's our favorite way, to spend the holiday
Yeah

Spend the holidays...

It's the greatest time

It's the greatest time of year, and it's here,
Help me celebrate it
With everybody here, friends so dear,
Let me simply state it
Joy to the world
Joy to the world
Joy to the world
It's the greatest time of year
It's the greatest time

It's the greatest time of year, and it's here,
Help me celebrate it
With everybody here, friends so dear,
Let me simply state it
Joy to the world and everyone
Lift up your hearts and feel the love
It's our favorite way, to spend the holiday
