H?lo?se  
How do the blossoms know it's spring?  
Who tells the bud that it's a rose?  
How does the blue finch learn to sing?  
How does a girl become a woman?  
How does my song inside get born?  
Who tells the stars that it's the morn?  
Have you ever seen a rose without a thorn?  
How does a girl become a woman?

Blanche  
Please, be careful. Please, be careful  
It's best to look before you leap  
Plese, be careful. Please, be careful  
You know, I'd hate to see you weep

H?lo?se  
I'll always look before I leap  
Flying higher than the swans  
I don't care if I never sleep  
I know how a girl becomes a woman  
I know how a girl becomes a woman  
When he's wonderful  
Blanche  
And so warm, and so fine  
H?lo?se  
When he's noble and upstanding  
Blanche  
When he's darling, and lowstanding  
H?lo?se  
Every blossom blooms as fast as it can  
Both  
When a boy becomes a man
