I get in the car  
Another tragic disaster  
But I'm safe where I am  
Yet another is captured

The traffic is stopped  
People just stare  
Another alert  
Does the kid have a prayer?  
Life is not fair

It's hard to looked outside my door  
(Look outside my door)  
With all the news reports and more  
Yeah I'll do my part and stay on alert  
(Stay on alert)  
For all the kids out there who are gettin' hurt  
It could have happened to me  
(Happened to me)  
Can you make me believe  
This could have a happy end?  
'Cause I am one of them

I try to grow up  
But I am chased by my fears  
It could happen to me  
And I worry in tears

Reports of the girl  
Making me scared  
Led off to die  
And why was I spared?  
Life is not fair

It's hard to looked outside my door  
(Look outside my door)  
With all the news reports and more  
Yeah I'll do my part and stay on alert  
(Stay on alert)  
For all the kids out there who are gettin' hurt  
It could have happened to me

(Happened to me)  
Can you make me believe  
This could have a happy end?  
'Cause I am one of them

I am one of them  
Am one of them  
I am one of them  
Am one of them  
I am one of them  
Am one of them  
I wish I could bring  
Back all of them
