I am movin through the crowd
Tryin' to find myself
Feel like a guitar that's never played
Will someone strum away

[Chorus]
And I ask myself
Who do I wanna be
Do I wanna throw away the key
And invent a whole new me
And I tell myself
No one, no one
Don't wanna be
No one
But me...

You are movin through the crowd
Tryin' to find yourself
Feelin' like a doll left on a shelf
Will someone take you down

[Chorus]
And you ask yourself
Who do I wanna be
Do I wanna throw away the key
And invent a whole new me
Gotta tell yourself
No one, no one
Don't wanna be
No one
But me...

Your life plays out on the shadows of the wall
You turn the light on to erase it all
You wonder what it's like to not feel worthless
So open all the blinds and all the curtains

No one, no one
Don't wanna be
No one
But me...

We are moving through the crowd
