Abelard

I've seen the troubled look within your eyes  
I've heard the worried sighs behind the smiles  
We knew the risks right from the start  
What could we do but choose the heart?  
Don't turn away from me sadly  
Don't let me hear your good-bye  
Don't turn away from me sadly  
Let's show them how we can fly

HÃfÂ©loÃfÂ~se

Their jealousy is sad and all too clear  
Why should we let them interfere?  
They call us dreamers ever fools  
But they are trapped within their rules  
Don't turn away from me sadly  
Don't let me hear your good-bye  
Don't turn away from me sadly  
Let's show them how we can fly

Abelard

Don't turn away from me  
Don't turn away  
Both  
Our love will outshine  
The light of the day

HÃfÂ©loÃfÂ~se

This fire inside can never, never lie  
A thousand oceans cannot make it die

Our love will last beyond the years  
Our passions sweep away the fears

Both

Don't turn away from me sadly  
Don't let me hear your good-bye  
Don't turn away from me sadly  
Let's show them how we can fly

Abelard

Don't turn away from me

HÃfÂ©loÃfÂ~se  
Let's show them  
Abelard  
Don't turn away from me  
HÃfÂ©loÃfÂ~se  
Let's show them  
Abelard  
Don't turn away from me  
HÃfÂ©loÃfÂ~se  
Let's show them  
Both  
Don't turn away from me  
Don't turn away from me  
Don't turn away from me
