[Samm]

Yo, what's happening?

This that nigga Samm

I got my partners D.I.G. and Mr. Marcelo up in here  
ya heard me?

Chorus: [Samm]

Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)

[Samm]

I love the streets, it's just the code of it  
Alot of shit go down, but look, they got more of it  
To all my gangstas, that'll shank ya  
In case a war, keep one in the chamber  
Cause when ya aim for what your shootin' at  
Kill that, boomerang should turn that two with the peel  
back  
Crescent City nigga what?, ?? nigga what?  
AK-47 weaponry beginners  
On the brightest days of sunshine, it rain like storm  
In the cloudy nights, you felt the sunlight from a fire  
arm  
Only time to get ya power on, is when the cowards  
gone  
Ain't nothing left but a breakfast of bodies to put the  
flowers on

Chorus: [Samm]

Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)

[D.I.G.]

Y'all niggas keep the glocks up and pop one at any  
nigga who talks shit  
and if he with that mouthin' off, my gun spoutin' off  
at all y'all, multiple murders from the poon-ta  
A watchdog, ain't nothing changed, I'll still drop y'all  
Just because I rap don't mean I won't beef with niggas  
in the street  
Cause being a thug is fatigue as inside of my jeans  
??? between E-Y-E  
and make sure you D-I-E, fucking with D.I.G  
You looking for me?, well here I be  
Strapped tight with two glocks and not afraid to shoot  
Camouflaged niggas never die, now what you wanna  
do  
Here we go again, fucking you up, you and your crew  
nigga what?, nigga

Chorus: [Samm]

Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)

[Mr. Marcelo]

Soldiers and troops, about face, then ya salute  
Duck when we shoot, soldiers bout it, turn on the news  
Shoot from the roof, even ATF get spooked  
It's understood as soon as you enter my hood  
Shoot or get shot, pop or get popped, drop or get  
dropped  
Surrounded by SWAT, murder the cops, you think not?  
Could die for this knot, drive from a block  
30 shot glock, infrared niggas, empty your spot  
Magnolia we locked, told ya never know what will  
happen  
Soldiers, so you know we stayed prepared for action  
Project livin' with ??, for real, I'm forbidden  
Hot spots, we leave 'em locked, we be money go-  
gettin'

Chorus: [Samm]

Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)

Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)  
Camouflaged niggas never die (soldiers for life)  
Fucking with them soldiers is suicide (ya heard me?)
