"I Gotta Get Drunk"

Well I gotta get drunk and I sure do dread it
Cause I know just what I'm gonna do
I'll start to spend my money
Callin' everybody honey
And wind up singin' the blues
I'll spend my whole paycheck on some old wreck
And brother I can name you a few
Well I gotta get drunk and I sure do dread it
Cause I know just what I'm gonna do

Well I gotta get drunk I can't stay sober
There's a lot of good people in town who wanna hear
me holler,
See me spend my dollars,
And I wouldn't think of lettin' 'em down

There's a lot of doctors that tell me
I should slow it all down
But there's more old drunks than there are old doctors
So I think that I'll have another round!
