The Rulers of tomorrow  
May bring you sorrow  
But I can touch the sun  
And bring you some fun.

'Cause I'm the good time Charlie  
Callin' your name.

They say the boom is comin'  
The rats are runnin'  
But me and Camilla  
We're sipping tequila.

'Cause I'm the good time Charlie  
Callling your name.

See, when I was a boy  
My mamma said  
Hey little man  
You better look out for them girls  
And that booze  
'cause that's what turned your dear daddy loose.  
I said mamma  
Please understand  
If booze and them girls are gonna get me  
I think it's my way to fly  
So bye bye  
See you in the sky.

Good time Charlie  
Good good good times  
For everybody in the whole wide world.

The leaders of tomorrow  
May bring you sorrow  
But I can touch the sun  
And bring you some fun.

'Cause I'm the good time Charlie  
Callin' your name.  
Good time Charlie

Callin' your name.  
Good time Charlie  
Callin' you.  
Good time Charlie.
