This is my life  
This is my life  
This is my time  
You show me the light  
And I go there.  
Give me the wine  
Bitter and sweet  
And a little bit of bread  
That's all I need.  
No, I don't want the gold from Xanadu  
I think I leave it all to you  
This is my life and I don't care.  
This is my street,  
Are you restless feet  
Carry me on to anywhere.  
Take the fear  
Take it away  
And give me some hope  
For one more day.  
I saw a ghost behind the door  
When the kids were coming home from the war  
With broken dreams and nothing more.  
I heard a woman singing her song  
And it was good and warm and strong  
She made me cry I don't know why.  
I don't want to bring you down  
I think it's good to be here  
This is my life and I don't care!
