Visit "[Rumors, Rumors](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I've heard all the rumors  
I've heard all the stories  
Cigarettes and bad cliches  
Born again, now the sinner is saved

Wives love your husbands  
Show them conviction  
Cover them with kisses  
Put down your pain prescriptions

I, I, I just wanna be free  
Tie a brick around my neck  
And an anchor upon my feet  
And throw me in the sea

If we all get what we deserve  
If we all get what we deserve

But tell all your children  
There's no time for anger  
Handcuff suspicions  
What you find is dangerous

Unlock my mind's door  
You will find I'm more than guilty  
I wish I was eleven  
And we were just like strangers  
Random rumors

I, I, I just wanna be free  
Tie a brick around my neck  
And an anchor upon my feet  
And throw me in the sea

If we all get what we deserve  
If we all get what we deserve

I, I, I just wanna be free  
Tie a brick around my neck  
And an anchor upon my feet  
And throw me in the sea

If we all get what we deserve  
If we all get what we deserve
