Overheated by the break of dawn,  
Deep, dark and red.  
See the sky has turned green again.  
Feelin' the boiling blood....yeah,

Hey, man connection established,  
To the frequency's not yet known,  
Let the waves fry you brain,  
By the vengeance of time.

Hey, man connected by fire strife  
Clock of atomic distortion,  
Eternal cosmic dimension,  
Blurring by vision.  
Divine to internal progression  
The frenzy of external devotion,  
Now longer, a manic submission,  
As I connect.
