

## Gates Of Ishtar "Rollercoaster"

Visit "[Rollercoaster](#)" on MotoLyrics.com

Outrun the fight  
I used to hide  
In quiet places

I'll rephrase my cry  
For I would keep on wondering  
The rest of my life

You're all moving too fast  
My biggest fear is  
That we'll never ever last

I know, it's not that easy  
Let's hit the brakes

Don't take no time  
Unless there's a crime  
To be committed

I guess we lost our faith  
While we stand and wait  
Until nothing ever happen

I know, it's not that easy  
Let's hit the brakes
