He whispers in my ear, tells me that I'm fearless  
He shares a melody, tells me to repeat it  
And it makes me whole, it reminds my soul

I am all He says I am  
I am all He says I am  
I am all He says I am  
And He says I am His own

I was blinded by scales upon my eyes  
And He came like a light and burned up all the lies  
Oh He set me free, He reminded me

I am all He says I am  
I am all He says I am  
I am all He says I am  
And He says I am His own

Chains are broken, and scales are on the floor  
Truth is spoken, I'm no orphan anymore  
Chains are broken, and scales are on the floor  
Truth is spoken, I'm no orphan anymore  
Chains are broken, and scales are on the floor  
Truth is spoken, I'm no orphan anymore

Oh I am loved, and I am new again,  
And I am free, I'm no slave to sin  
And I'm a saint, yeah, I am righteousness  
And I'm alive, yes I'm alive, I'm alive, yeah  
I'm alive, I'm alive, I'm alive  
I'm alive, I'm alive, I'm alive

And I am all He says I am  
I am all He says I am  
I am all He says I am  
And He says I am His own
