As we pray, the darkness turns to light  
As we pray, the will of God and man align  
With one voice we lift our hands to say  
We only trust in Jesus name  
Lord of mercy hear this prayer we raise

Let Heaven's gates be open  
Let words of life be spoken  
Not ours but Your will be done,  
Father, as we pray to You

As we pray, the blind are given sight  
As we pray, the heart of God and man unite  
With one voice we lift our hands to say  
We only trust in Jesus name  
Lord of mercy hear this prayer we raise

Let Heaven's gates be open  
Let words of life be spoken  
Not ours but Your will be done,  
Father, as we pray to You

Bring freedom and forgiveness  
Bring healing and repentance  
For only You can save us  
Father, as we pray to You

We lift one voice to one God, for one cause that all may  
know You  
One voice to one God, for one cause that all may know  
You  
One voice to one God, for one cause that all may know  
Your love

Let Heaven's gates be open  
Let words of life be spoken  
Not ours but Your will be done,  
Father, as we pray to You

Bring freedom and forgiveness  
Bring healing and repentance

For only You can save us  
Father, as we pray to You
