As Your people we won't be silent  
We're gonna shout about everything You are,  
everything You are  
As Your people we'll stand unshaken  
No matter what the world could ever throw our way  
We'll never be ashamed

When You speak You turn the hardest hearts to song  
Now we sing because our victory has been won  
Your name be lifted higher, Your name be lifted higher  
Be lifted higher

You're the answer to our world's questions  
You're the reason that creation came to life, standing  
in Your light  
You're alive and everyone will see You  
Speak the word and hopeless hearts will beat again  
In grace that never ends.

Cause when You speak You turn the hardest hearts to  
song  
Now we sing because our victory has been won  
Your name be lifted higher, Your name be lifted higher  
Be lifted higher

You are our God and we are Yours  
Our hearts respond cause You are good  
And nothing's gonna separate us  
Nothing's ever gonna separate us  
Now we declare the power of God  
Our freedom is living in Your love  
And nothing's gonna separate us  
Nothing's ever gonna separate us  
[x2]

When You speak You turn the hardest hearts to song  
Now we sing because our victory has been won  
Your name be lifted higher, Your name be lifted higher  
When You died and came to life the work was done  
Now there's nothing that can keep us from this love  
Your name be lifted higher, Your name be lifted higher

Be lifted higher  
Be lifted higher  
Be lifted higher  
Be lifted higher  
Be lifted higher  
Be lifted higher
